# WELCOME TO CHICHELEY HALL

Nestled within 80 acres of beautiful grounds lies Chicheley Hall. One of the finest examples of early 18th-century architecture, this stunning Grade I listed mansion is filled with original features. Dramatic windows create enchanting light-filled spaces while marble arches, pillars and staircases provide a perfect setting. The outside spaces are equally breathtaking. Discover wonderful gardens, tree-lined paths and manicured lawns while the beautiful lake offers yet more sensational photo opportunities.

With heritage and beauty at every turn, it's easy to see why this property has been chosen as the location for film and television projects such as *Pride and Prejudice* and *Black Beauty*.

*We would love you to join us for one of our exciting events, a delicious meal or afternoon tea.*

## AFTERNOON TEA
